

# Raptor Closure

**April 30 through August 1, 2005**  
Closures will be lifted or extended as necessary

## Closure Area

### The Parish

These areas are closed to public access pursuant to the authority in 16 USC 3, 36 CFR 1.5 (a)(1) and (a)(3). The purpose of this closure is to protect raptor species during the critical nesting season.

Named rock formation, the area extending 100 yards north, east and west of named rock formation and the slopes extending south from the base of the named rock formation downslope to the Black Canyon Trail as depicted on the map, including but not limited to all climbing routes, outcroppings, cliffs, faces, ascent and descent routes and climber access trails to the named rock formation. The Black Canyon Trail will remain open.

When necessary, Park Rangers will issue court citations to persons violating the terms of this closure under authority of 16 USC 3, 36 CFR 1.5 (f).
